

# CCP Teacher Credentialing Grant Budget Template

This budget template mimics the Ohio Department of Education and Workforce's Comprehensive Continuous Improvement Plan (CCIP) system that awarded lead applicants will upload budget information. The lead will also be required to review and electronically complete the grant agreement and assurances within the CCIP system.

The only available cells for this budget are shown in shades of blue. Do not list amounts in the black cells; those categories are not eligible for funding under this grant. Indicate the total amounts for each object code that are proposed to be used.
